Three Harness and Three Runs While Varsity Plays at Den- Chicago Cubs and Detroit Tigon for This Afternoon at State Fair Grounds.

The above announcement by Director Lester D. Freed last night, together with a program of three harness and three running events for this afternoon, will bring to a close the most successful week of horse racing ever held in the state. The crowds have been record-breakers each day and as this afternoon's racing is easily the best of the week, an even bigger attendance is expected.

Two feature races are offered today. For those who like running, there is the mile and a quarter handicap, which will a present the University scrubs.

The game at Denver is probably the center of the greatest interest. Utah's success or failure in the football line this year can practically be determined by the outcome of this game. For those who like running, there is the mile and a quarter handicap, which will easily see the classiest field of starters that has ever faced a barrier in the state. For the harness horsemen a free-for-all trot and pace has been placed on the program. This race will bring together the best horses in the state and should make the best harness racing of the meeting. Yesterday's program was witnessed by a crowd as large as the record-breaker of a crowd as large as the record-breaker of Wednesday. And the crowd saw the fastest racing of the week. Three heats in 2:18 were run, one after another, in the 2:20 class, before Billy Sherbert pulled down the money. Sherbert is easily one of the prettiest performers of the week and raced a steady heat each time he, left the starter. Consuella was his only real rival, but the Jimpson horse was erratic and could not nold her feet. In the second heat. Consuella beat Sherbert out second heat, Consuella beat Sherbert out at the wire, but in every other heat the

Jimpson horse went up in the air when called upon to take the lead. Sir John and Lizzie Bigstaff were the real contenders for the place honors in the 2:25 class. The Hamilton horse won the first heat, but was unable to do better than second in the three succeeding

One state record was broken in the runs, when Frank Lublock went the mile in 1:44. Maxetta held the lead for threein 1:44. Maxetta held the lead for three-quarters, setting a fast clip coming into the stretch. Salva U came up on the out-side, while Lublock came through the bunch, taking up a position alongside of Maxetta on the pole. These three came down the stretch neck and neck, Lublock winning at the wire by a nose. Perhaps the prettiest two-horse finish of the week was seen in the half-mile

of the week was seen in the half-mile. Swaglator led to the stretch and Bill Bagwell came up and challenged the Bassett horse coming down the stretch. These two jumped away from the field, Bagwell winning on the inside by a nose, both horses leading the field by several lengths.

The spirit at the school has been revived and the students are showing the same patriotism now they did when High school had its invincible teams. With these excellent indications the team ought to do something this year.

A close contest is anticipated when the football warriors of All Hallows college and Granite High school meet at Cummings field this morning at 10 o'clock in a championship game. Both teams have been training faithfully and both are debeen training faithfully and both are determined to win. The All Hallows college boys held a good practice yesterday afternoon, and are in good condition for the game. P. Fitzmaurice has rounded into shape more quickly than was expected, and feels tiptop for the struggle. Captain Doolittle has been working hard, and should play a fine game.
